Bill Evans (1929-1980) is universally acknowledged as one of the most influential of all jazz pianists. Classically trained on flute, violin, and piano, Evans chose jazz - specifically the jazz piano trio - as his medium. This biography tells Evan's story. Based on research and conversations with many of Evan's friends and colleagues, as well as Pettinger's firsthand memories of performances at the Village Vanguard in New York and Ronnie Scott's jazz club in London, it describes the life, the musicmaking and the legacy of this major American jazz artist. The author assesses Evan's recordings and analyzes his technique, tone production, approach to group playing, and compositional methods. With a full discography and dozens of photographs, the volume should be welcomed by jazz fans and general readers alike.
