Miami & South Beach Florida: A Photographic Portrait Editors of Pilot Press

The images in this stunning, full-color photographic journal capture the life of Miami and South Beach. From the peaceful chill of early morning as the sun rises over the Atlantic's white sand beaches, through the heat of a South Florida afternoon, to South Beach's red-hot nightlife, chronicling the daily life of one of America's hottest spots.

From reader reviews:

David Carter:

Reading a guide tends to be new life style within this era globalization. With studying you can get a lot of information which will give you benefit in your life. Using book everyone in this world could share their idea. Books can also inspire a lot of people. A great deal of author can inspire their own reader with their story or their experience. Not only the story that share in the guides. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors these days always try to improve their ability in writing, they also doing some study before they write for their book. One of them is this Miami & South Beach Florida: A Photographic Portrait.

David Dozier:
