Finding Honor (The Searchers) (Volume 1) Ripley Proserpina

Love finds her in her darkest hours... Nora Leslie's twenty-year existence revolved around one thing—survival. A split second decision under a hail of gunfire saves the lives of her students and alters her own forever. When she wakes in the hospital, Nora finds herself a suspect in the worst tragedy to ever strike her small college town. Thrust into the spotlight as the villain, instead of the hero, she is in desperate need of allies. A chance meeting introduces her to Ryan Valore, a young law student searching to outrun the guilt of his past. With the world turned against her, Nora accepts his aid, and the help of his roommates, a group of guys with pasts as dark as her own. For them, Nora is everything they never believed they deserved.
