**Logic (case bound)** Stan Baronett

*Life takes logic.*

*Logic* offers students a comprehensive yet accessible introduction to the fundamentals of logical thinking. In addition to clear and detailed coverage of logic theory, author Stan Baronett emphasizes real-world applications of the principles of logic. Because of this dual focus—on how to think logically as well as how to apply logic in everyday situations—this text shows students how life takes logic.

Author Stan Baronett employs a *clear and accessible writing style* in which he addresses the reader as if they are in one-on-one discussion. Throughout the text, Baronett anticipates, asks, and answers the questions that typically arise during discussion of each topic—leading readers to a deeper understanding of the material.
