The Guinea Pig and the Fox: A Titicaca Folktale Diony Neira

The Guinea Pig and the Fox is a children's folktales book. It is one of the distinct children's animal books for kids age 6+ because it highlights an unusual interaction between two characters. In this Peruvian children's book, Guinea Pig seems an attractive, delicate, easy prey for the fox but quick-witted Guinea Pig has a secret advantage: his fortunate insight to play tricks cleverly gets the better of Fox. This ancient oral history heard around the Lake Titicaca area of southern Peru tells a folktale of how a small, defenseless creature matches wits with a stronger animal, making the focal point a guinea pig book. In that region, the locals say, "Don't be a fox," to advise anyone not to be overconfident. It is said, "If one is overconfident, that person may get into trouble." What's unique about this fox children's book is that Fox is conceited, and this teaches children a powerful lesson on equality and respect of peers.

Charles Malone:

In this age globalization it is important to someone to obtain information. The information will make someone to understand the condition of the world. The healthiness of the world makes the information better to share. You can find a lot of recommendations to get information example: internet, newspapers, book, and soon. You can view that now, a lot of publisher that print many kinds of book. The actual book that recommended for your requirements is The Guinea Pig and the Fox: A Titicaca Folktale this reserve consist a lot of the information of the condition of this world now. That book was represented just how can the world has grown up. The dialect styles that writer value to explain it is easy to understand. The particular writer made some investigation when he makes this book. Honestly, that is why this book suitable all of you.

Lorraine Joyner:

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's heart or real their passion. They just do what the instructor want, like asked to the library. They go to there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this The Guinea Pig and the Fox: A Titicaca Folktale can make you sense more interested to read.
