Transformation of Man T J Hegland

Man is moving into a bright, new future with an updated Alternative Medicine, improved knowledge of Genetics, and an updated Spirituality to become what is called a Noetic being. Man is evolving again to a smarter, more capable human who is more compassionate and respectful of others and the planet. He is in the process of transforming himself and his civilization via the science of space travel, genetic correction of defects, a more enlightened view of God and the Afterlife, and healing himself with the physics of Energy Healing. This book examines the different aspects of transformation... See Back Cover for more about: Timelines, Nutrition that supports Transformation, the InterLife and the Heavenly Quantum Computer, Religion vs Spirituality and what a New World Religion could look like, Man's Transformation via Near Death Experiences and the Greys' Abductions -- how BOTH are a very positive experience and deliver a better world, ET-Human Hybrids (pix), Strange versions of hominids on Earth, past and present (pix), and 2 Chapters (11-12) on Energy healing -- the what and how based on recent discoveries in Physics: ZPE Field, thoughts and consciousness as torsion waves in the Matrix, the Heart's Torus, Dark Matter/Energy as AEther, Subquantum Kinetics, and an examination of Energy Healing modalities, including Matrix Reimprinting, FasterEFT, Qigong and Pranic healing techniques. All at the layman level. Also added is how the brain, DNA and higher consciousness are related; all exist within the Matrix (ZPE Field) and particular care is needed to support the brain with special nutrition such that the mind can function well. Additionally, brain games and exercises are suggested to facilitate the quest for higher consciousness. This is further developed in Book5: The Science in Metaphysics. A new Appendix D was added (due to several requests) as a major way to connect the dots with reference to Soul, Karma, Reincarnation, Scripts and OPs.

From reader reviews:

Jane Nelsen:

As people who live in the modest era should be up-date about what going on or facts even knowledge to make these people keep up with the era that is always change and move forward. Some of you maybe will probably update themselves by looking at books. It is a good choice for you but the problems coming to an individual is you don't know what type you should start with. This Transformation of Man is our recommendation to help you keep up with the world. Why, because this book serves what you want and wish in this era.

Jesus Novak:

Within this era which is the greater person or who has ability in doing something more are more important than other. Do you want to become among it? It is just simple method to have that. What you are related is just spending your time little but quite enough to get a look at some books. On the list of books in the top checklist in your reading list will be Transformation of Man. This book that is certainly qualified as The Hungry Mountains can get you closer in turning into precious person. By looking upward and review this book you can get many advantages.

George Bash:

As we know that book is significant thing to add our information for everything. By a e-book we can know everything we would like. A book is a set of written, printed, illustrated or maybe blank sheet. Every year ended up being exactly added. This publication Transformation of Man was filled regarding science. Spend your spare time to add your knowledge about your research competence. Some people has various feel when they reading the book. If you know how big selling point of a book, you can feel enjoy to read a publication. In the modern era like at this point, many ways to get book that you wanted.

Robert Mayo:

As a student exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just tiny students that has reading's soul or real their hobby. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Transformation of Man can make you truly feel more interested to read.
