Wise Parenting Principles from Proverbs Chris R. Cutshall

For thirty years, Chris R. Cutshall has served as the senior pastor of Fresno Bible Church in Ohio. Now he has collected a sermon series on Christian parenting, originally preached to his church family in Ohio, in this inspirational book: *Wise Parenting Principles from Proverbs*.

In 2004, Cutshall's twenty-two year old daughter was murdered just before she was to be married. Since then, he has felt a calling to assist other parents in making the most of the time they have with their children. The insights found in this book are principles Cutshall used in raising his own two girls, ones he feels uniquely prepared his daughter for her death. *Wise Parenting Principles from Proverbs* offers forty biblical principles that cover essentially every parenting challenge of our day, including how to train children to walk in the truth of God's Word, to trust the Lord with all their hearts, to correct both behaviors and attitudes, to protect them from the enticements of immorality, and much more!

Whether you are a single parent or part of a more traditional home, these proverbs are lanterns in a dark world of uncertainty. Our time is short. If you are hoping to raise your children according to the wisdom of God, the time to act is now while they are still living under your roof!
