## **Bedtime Horrors** Nic Kristofer Black

Written for a new generation of fans, *Bedtime Horrors* is the first volume of a unique collection of dark stories, served with a twist and delivered in *exactly* one page. From author **Nic Kristofer Black** and illustrated by **Jorge Gonzalez**, the collection is written for the 140 character, web surfing, binge watching, Snapchat generation.

Perfect for the short attention span, each tale is exactly 1000 words in length - easily readable in the time it takes to watch a YouTube video. And because 'a picture is worth a thousand words' every story is graced with chillingly illustrated artwork. From mindless zombies to insidious vaporghouls, each work fiendishly drags the reader, kicking and screaming, into its dark, decaying world.

*Bedtime Horrors* transports classic creatures from fog-laden hamlets to contemporary settings and the glare of modern life. The collection also introduces new creatures, eager to make the reader's acquaintance, with hopes of someday becoming the subject of new tales told around the campfire.

Crafted for maximum potency, *Bedtime Horrors* is a smart and quirky update to the horror genre. The collection is a daily dose of horror, the reason to go to sleep with one eye open and almost worth dying for.
