Hoofprints: Horse Poems Jessie Haas

A VOYA Poetry Pick: Award-winning author Jessie Haas takes readers on a ride back in time to celebrate the special bond between horses and humans

“We have all been changed by the horse, for better and worse.” —Jessie Haas

Jessie Haas travels back sixty-five million years—from 5000 BCE to the present day—in 104 poems about our equine friends.

Horses have shared some of the most significant moments in human history. In these lyrical and poignant pieces—some written from the horse’s point of view—readers will meet chariot racers, knights’ steeds, horse whisperers, even Pegasus, the winged horse. In one moving poem, a compassionate colt befriends a lonely man; in another, a starving soldier shares a meal with his mount. Whether it’s the thundering herd of Genghis Khan or a Dutch farmer shielding his horse from the Nazis, these transportive free-verse poems reveal how horses have influenced and enriched our lives. *Hoofprints* is an awe-inspiring journey through history as we gallop alongside horse and rider and experience “the mid-air moment” when “everything may yet / turn out all right.”

This ebook includes a bibliography and a glossary of equine terminology.
