Max the Champion Sean Stockdale, Alex Strick

Max is mad about sport. As he gets up, has breakfast and heads off to school, he is dreaming of competing in world class sporting events. In his real day, he and his class win the school football match and, in his imagination, he and his friends are winning the World Cup. This is a lively and fun approach to sport, and a very inclusive picture book showing disabled children and children without disabilities enjoying different sports together in a natural way. The sports include football, rugby, athletics, cricket, diving, discus throwing and cycling.
