What Dwells Beyond: The Bible Believer's Handbook to Understanding Life in the Universe (Third Edition) Jeffrey W. Mardis

"It may be the best work ever produced on the question of extraterrestrial life from a conservative Christian worldview." -- Thomas Horn, Best-selling Author of Petrus Romanus and Exo-Vaticana

This exciting, cutting-edge Christian Handbook is divided into three major sections:

PART 1: *The History of Extraterrestrialism - A Chronological Survey from Genesis to the Present* (116 pages)

PART 2: *The Scriptures & Extraterrestrialism - Biblical Insights Regarding Outer Space & Life Beyond Earth* (282 pages)

PART 3: *Conclusions on Extraterrestrialism - Closing Thoughts & Theories on the Concept* (71 pages)

A FEW OF THE AMAZING THINGS YOU WILL DISCOVER:

- > You will get a chronological history from ancient times to the present regarding the belief in intelligent life beyond Earth, how this concept was influenced by the days of Noah, and how it emerged and grew after Noah's Flood.
- > You will read about the connections between Polytheism (the belief in many gods) and the rise of Extraterrestrialism (the belief in life populating many planets).
- > You will read about how ancient philosophy helped transform pagan religious beliefs into the modern concept of Evolution and Cosmic Pluralism.
- > You will read about Thales of Miletus, Epicurus, Copernicus, Emanuel Swedenborg, Joseph Smith, Thomas Chalmers, Charles Darwin, Nikola Tesla, Dr. Frank Drake and many others who helped shape the idea of alien life into what it is today.
- > You will read about how science fiction in movies, literature, pulp and comic books, helped birth the Space Age and further the idea of intelligent life on other planets; and how it fuels and motivates the ideas behind last-days, antichrist technologies.
- > You will read about the structure of the Universe, the Three Heavens, and a detailed, comprehensive guide on how the origins of darkness and outer space play a major role in discerning the concept of life on other worlds.
- > You will get an illustrated, Bible-based, field guide to all life forms which will help lay the foundation in discerning the modern alien phenomenon.

- > You will read detailed information on angels, fallen angels, the ancient sons of God, cherubim, devils, Satan, other celestial life forms and monsters from underground.
- > You will get a detailed biblical record on the kinds of life forms which exist beyond planet earth, and what kinds of life forms travel through space without the need for protection or flying craft.
- > You will read about the deep connections between witchcraft and fallen angels, how and why witchcraft was birthed after Noah's Flood, and how its teachings are a reflection of Noah's days, and the search for the lost wisdom of the fallen sons of God and their giant offspring (sometimes referred to as "Nephilim").
- > You will read about how the ancient giants were different than modern men with health issues - how they were a form of life which the Lord was obligated to destroy.
- > You will get a detailed Bible study on Counterfeit Life. Four ways the Holy Bible outlines how it can be produced, how it will arise in the end-times, and how it is always against the will of God.
- > You will read about the godless pagan practices of bestiality, its connections to extraterrestrial life and the modern hybridization of man with animals.
- > You will read about the coming rise of Transhumanism, the push for non-human rights, the Singularity, and the advent of sentient machines.
- > You will read about how the Holy Bible acts as the Christian's foundation to all these modern issues, how they relate to the end-times scenario of Satan's plans for the deception of the world.
