"My name is Lilith Mae Madison and I am captain of the Phoenix. There is something strange happening on my ship, something that cannot be explained. On the other side of the known universe, we are waiting for a wormhole to open so we can return home with news that could save the human race, but someone, or something, has other ideas. My crew are being picked off one by one, and whoever is responsible is very, very strong, and very, very clever. I'm struggling to hold onto my sanity while also maintaining control of my ship and crew. My trust is divided between John, my second in command and Maggie, head biogeneticist and my lover. John is impulsive and headstrong, and I am unsure of his full intentions. Maggie, on the other hand, is gentle, kind, loving and sweet, but I know she is withholding information from me...vital information! With time and crew running dangerously low, I must find the killer before it's too late!
