Biblical Interpretation in the Anabaptist Tradition (Studies in the Believers Church Tradition) Stuart Murray

"What Stuart Murray has brought to light in his study of Anabaptist hermeneutics is of enormous theological and practical relevance, both for our understanding of the spectrum of Christian biblical interpretation and its contemporary appropriation. For too long we have neglected voices on the margins of the Christian churches which offer a perspective on biblical interpretation that picks up methods of reading deeply rooted in Scripture itself. Stuart Murray's book does much to illuminate one of the most challenging movements in Christianity. It will be of benefit to historians, theologians and all of us who are seeking ways of being faithful to Jesus Christ at the beginning of a new millennium." - Christopher Rowland, Dean Ireland Professor of the Exegesis of Holy Scripture, Oxford University
