#### **William Johnson:**

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Biological Investigations (Dolphin): Form, Function, Diversity and Process can make you really feel more interested to read.
