InDesign CS5: Basic, ACE Edition, is part of a three-course ILT series, which is designed to help students prepare for the Adobe Certified Expert exam for InDesign CS5. This course will teach students fundamental concepts, terminology, and the basic features of Adobe InDesign CS5. Students will learn how to create documents, place text and graphics, and create custom color swatches. Students will also learn how to work with master pages and multi-page documents. In addition, students will learn how to format text, apply styles, work with threaded text frames, position and group objects, and work with layers. Finally, students will print documents, create print presets, create a PDF file, and package documents for commercial printing.
