Elder James E. Talmage lived as a gifted scholar, scientist, teacher, author, speaker, and disciple of Jesus Christ. Early in the 1900's, the First Presidency commissioned Dr. Talmage's books to write several books as textbooks for the Church. The quality and detail of the content he produced transformed them into LDS classics over the last century. This eBook bundle includes all six of Talmage's doctrinal works in their entirety, as well as all 31 General Conference addresses from Elder Talmage's 22 years serving in the Quorum of the Twelve. We hope that these collected works, which cover the depth and breadth of the restored gospel, will bring you closer to the Master and assist you in your quest for intelligence and Eternal Life.
