Laney Walker is a quick witted, athletic, southern tomboy who lets few get too close, using her sarcastic zingers to deflect and no idea how others view her.

Evan Allen's always been "friend zoned" yet protected and coveted Laney since they were children. But college puts a gap between them that neither were prepared for- old relationships are tested, new ones are formed and nothing will ever be the same.

Especially when in walks one Dane Kendrick, not at all the familiar, southern charmer of home, but an animal all his own.

A story of growing up, friendship, loyalty, first love, primal love...and life.

Mature content.
