## **Sail Smart** Mark Chisnell

Master your instruments and turn on-board information into racing results. Modern sailors are bombarded with a wealth of information from their on-board instruments. From apparent and true wind speed to boat speed, there's no shortage of data to interpret. Sail Smart shows you how to become the master of your instruments and make the right calls every time, knowing for certain when to tack, which shift to look out for, how the tide can work for or against you, and much more. With diagrams and full-color photographs throughout, this accessible and instructional guide turns information into excellence. \*Unlock your winning potential \*Maximise your onboard instruments \*Learn to think like a professional yachtsman
