## **The Georgian Art of Gambling** Claire Cock-Starkey

*The Georgian Art of Gambling* takes readers on a wild tour through high and low society in Georgian England to reveal all aspects of the widespread love of gambling. From detailed accounts of the fashionable card and dice games of the day, as played in fine homes and gambling houses alike, to wagering on blood sports like cockfighting and bull baiting, and such less gruesome affairs as boxing and cricket, Claire Cock-Starkey brings to life the world of Jane Austen; Beau Brummel; Georgiana, Duchess of Devonshire; and more. We see aristocrats ruined by the turn of a card; activists mounting antigambling campaigns through pamphlets, broadsides, and legislation; and the devious machinations of card sharps and dice loaders. Cock-Starkey also offers rules and descriptions for a number of games that have fallen out of favor, along with copious anecdotes and facts about the culture of chance in Regency England.
