What do an overweight stripper, the CIA, corruption in New York City, the Israeli Mossad, ancient Inca civilization, terrorism, political intrigue, mad dashes across America, and a waste-case of a teenager have in common? They are the ingredients of this action-packed crime and coming-of-age novel. Much of this story is based on true events, perhaps too true to be believed. Guaranteed to make you think and probably to shudder as you relive 9/11. "In his book *Times To Try The Soul Of Man*, Kenneth Weene paints a vivid portrait of the peripatetic freelance journalist peering from the outskirts of mass corruption at an American horror show." (Anthony Flacco – NY Times best selling author)
