More women are making choices of family now; career later! The trend is for younger mothers to take five years or so off while their children are young. These are some of the most impressionable years on our children

The world is getting to be a tough place to live as a Mother and as a Christian. Raising children in today's society is a constant challenge for parents and children, but especially for Mothers who need to make a living. More children are spending their days in the care of strangers because Mothers have to spend more time at their jobs.

For the past 5 years Iris has researched this subject and interviewed like-minded woman to provide legitimate resources for mothers who not only desire to be with their families in the home, but desire to make an income while doing so. Iris provides practical advice on scams to avoid and the best kinds of jobs and want ads to look for. Iris also provides practical advice on dealing with all of the issues facing our children today.

Nearly 60% of our children are being raised in single parent homes. At an alarming rate marriages are failing at the rate of over 50%. This book addresses issues the single mother may encounter; such as loneliness, fear and anger. You will find out how to see yourself as a woman of worth, and handle any challenges.

Iris will show you how to cultivate that gift or dream inside of you and bring it to fulfillment. Each and every one of us is uniquely designed for a purpose.
