A General History of the Pyrates (Illustrated): Illustrated Classics Vol.63

Daniel Defoe

A General History of the Pyrates (Illustrated): Illustrated Classics Vol.63 Daniel Defoe

A General History introduced many features which later became common in pirate literature, such as pirates with missing legs or eyes, the notion of pirates burying treasure, and the name of the pirate flag the Jolly Roger. The author specifically cites two pirates as having named their flag Jolly Roger (named after the first Pirate and his crew): Welsh pirate Bartholomew Roberts in June 1721, and English pirate Francis Spriggs in December 1723. The book gives an almost mythical status to the more colourful characters, such as the infamous English pirates Blackbeard and Calico Jack. It provides the standard account of the lives of many people still famous in the 21st century, and has influenced pirate literature of Robert Louis Stevenson and J.M.Barrie.
