America the Edible: A Hungry History, from Sea to Dining Sea Adam Richman

Get ready to devour America. Adam Richman, the exuberant host of Travel Channel's *Man v. Food* and *Man v. Food Nation*, has made it his business to root out unique dining experiences from coast to coast. Now, he zeroes in on some of his top-favorite cities—from Portland, Maine, to Savannah, Georgia—to share his uproariously entertaining food travel stories, top finds, and some invaluable (and hilarious) cautionary tales. *America the Edible* also tells the story behind the menu, revealing the little-known reason why San Francisco's sourdough bread couldn't exist without San Francisco's fog; why Cleveland just might have some of the country's best Asian cuisine; and how to eat like a native on the Hawaiian island of Oahu. Unflaggingly funny, curious, and, of course, hungry, Richman captures the spectacular melting pot of American cuisine as only a true foodie and insatiable storyteller can.
