## **An Invisible Flower** Yoko Ono

Yoko Ono created *An Invisible Flower* when she was just nineteen years old, at the very start of her artistic career. Recently rediscovered in her archive by her son, Sean Lennon, who also provides a foreword, this jewel of a book tells the heartwarming story of the invisible beauty we all know is there—and of the one man, "Smelty John", who catches sight of it. Written years before Ono met John Lennon, *An Invisible Flower* offers a glimpse into the early process of a brilliant conceptual artist and, it will transpire, presages the love of her life. Simple pastel drawings complement the book's affirming message, and a new afterword by Ono makes this small treasure even more special.
