## **In a Silent Way: A Novel** Mary Jo Hetzel

*In a Silent Way* chronicles the coming of age in the late sixties of young Jeanna Kendall as she quietly facilitates a close-knit community of learners in a progressive urban school, grapples with racism and sexism within her community activist group, and experiences the extreme highs and lows of her first intimate relationship?which happens to be with a revered and powerful community leader.

Jeanna encounters all the same issues we confront today: youth of color demeaned and destroyed, wise community elders discounted by leaders who “know better,” and the “sexploitation” of women in the movement. Gradually overwhelmed by the mounting challenges she faces on all fronts, and on the verge of a breakdown, a crisis emerges within her movement group that transforms everything and everyone and opens up a new world of possibilities?ones deeply relevant to us today.
