The Burden of Office: Agamemnon and Other Losers Joseph Tussman

Joseph Tussman's *The Burden of Office* is a book about the nature of political authority. Consider the symptoms of our present dilemma: leadership reduced to media "sound bites," legitimate public power sold off to the marketplace in the name of "privatization," citizens transformed into dubiously literate consumers in a Global Village. Can we make sense of any of this?

To do so, Tussman turns to some of the oldest and greatest stories in our tradition. He re-reads and re-tells the tales of Moses, Oedipus, Orestes, Antigone and King Lear. The re-tellings, as it quickly becomes apparent, are really new tellings that explore the deepest meanings of our social institutions. Tussman traces the tension between passion and puritanism in an effort to make sense of public office and public authority in a way that leads to neither blind obedience nor fashionable cynicism.

Lucid, original and ultimately wise, *The Burden of Office* is as much a work of literature as it is of philosophy.

From reader reviews:

Manuel Thomas:

Book is to be different for every grade. Book for children until finally adult are different content. As you may know that book is very important usually. The book *The Burden of Office: Agamemnon and Other Losers* has been making you to know about other know-how and of course you can take more information. It is extremely advantages for you. The guide *The Burden of Office: Agamemnon and Other Losers* is not only giving you considerably more new information but also for being your friend when you sense bored. You can spend your own spend time to read your guide. Try to make relationship together with the book *The Burden of Office: Agamemnon and Other Losers*. You never truly feel lose out for everything when you read some books.

Melissa Alfonso:

Nowadays reading books become more than want or need but also become a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge even the information inside the book that will improve your knowledge and information. The info you get based on what kind of guide you read, if you want attract knowledge just go with knowledge books but if you want truly feel happy read one along with theme for entertaining such as comic or novel. The actual *The Burden of Office: Agamemnon and Other Losers* is kind of book which is giving the reader unpredictable experience.

Lucille Chenier:

Often the book *The Burden of Office: Agamemnon and Other Losers* will bring that you the new experience of reading a book. The author style to elucidate the idea is very unique. In the event you try to find new book to study, this book very suitable to you. The book *The Burden of Office: Agamemnon and Other Losers* is much recommended to you to study. You can also get the e-book from your official web site, so you can easier to read the book.

Samantha Green:

This *The Burden of Office: Agamemnon and Other Losers* is great guide for you because the content that is certainly full of information for you who always deal with world and have to make decision every minute. This book reveal it info accurately using great coordinate word or we can say no rambling sentences included. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with beautiful delivering sentences. Having *The Burden of Office: Agamemnon and Other Losers* in your hand like finding the world in your arm, data in it is not ridiculous one. We can say that no reserve that offer you world in ten or fifteen minute right but this reserve already do that. So , this is certainly good reading book. Heya Mr. and Mrs. stressful do you still doubt which?
