**The Case for Christ Graduate Edition: A Journalist's Personal Investigation of the Evidence for Jesus (Case for ... Series for Students)** Lee Strobel

In *The Case for Christ Graduate Edition*, *New York Times* bestselling author Lee Strobel retraces his own spiritual journey from atheism to faith. Lee, former legal editor of the *Chicago Tribune*, cross-examines a dozen experts with doctorates who are specialists in the areas of old manuscripts, textual criticism, and biblical studies. Strobel challenges the experts with questions such as, *How reliable is the New Testament? Does evidence for Jesus exist outside the Bible? Is there any reason to believe the resurrection was an actual event?*

In this beautifully decorated edition based on *The Case for Christ Student Edition*, Strobel's tough, point-blank questions make this bestselling book read like a captivating, fast-paced novel. But it's not fiction. It's a riveting quest for the truth about history's most compelling figure. Complimented with an exclusive interview with Strobel, this timeless book is one any graduate will want to keep and re-read for years to come.
