The Fantods of Risk is a collection of essays from the pages of Risk Management Reports, which the author edited, wrote and published from 1974 through 2007, plus several other published articles. The subject is risk management, a discipline for dealing with uncertainty in our personal and organizational lives. They continue the author's contrary and challenging approach to managing risk, first started in Risk Management Reports and later in Mumpsimus Revisited, published in 2005.
