A century of history constitutes an important goal and is even more significant if a prestigious marque like Alfa Romeo is celebrating it. To pay due tribute to such a significant event – and not only in automobile history – is a unique and exclusive book of which only 999 copies have been printed, all numbered and enclosed in an elegant slipcase that carries the famous metal emblem of the centenarian on its front. Apart from its format (the volume measures ....), the refined binding and the paper on which it is printed, this official book prepared in collaboration with Alfa Romeo and destined to celebrate this historic event, is an ambitious project especially due to its contents and illustrations, all unpublished and which come from the priceless Arese archives.
