And Yet... They Fly! Guido Moosbrugger

For more than 25 years, the Billy Meier case has been reviewed by expert researchers, scientists and journalists worldwide. Their conclusions are all the same: Billy Meier is having contacts with extraterrestrials.

Austrian author, Guido Moosbrugger, has been following the case for more than 20 years and has detailed his findings in "And Yet... They Fly!". In this captivating book, Guido describes the extraterrestrials with whom Billy is having contact, as well as their technology, culture, home planet and reasons for visiting Earth. "And Yet... They Fly!" also contains more than 75 color photographs documenting the case. Among them, the color, daytime photos of extraterrestrial spacecraft are unsurpassed in their quality and clarity and are the best UFO pictures ever taken. No other UFO case is as richly documented with eyewitness accounts, photographic evidence, metal sample analysis, sound-recordings and spacecraft landing tracks, just to name a few.

If you ever had a question about the Billy Meier contacts or are new to the subject, "And Yet... They Fly!" is the most comprehensive and well-documented book ever released on this world-renown UFO case.
