Iliana is a winter solstice story, a story for Children's Day Iliana is the story of a young girl's quest for the sun. As the days grow shorter, everyone around her is worried, and no one knows what to do. Determined to save her kingdom from darkness, Iliana sets off alone to find the sun. Her adventures take her to unexpected realms where she encounters magical friends who help her on her way and, in the end, she discovers more than she set out to find.

To help you see the represented of the world in this book.

#### **Dennis Lewis:**

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some reserve, they are complained. Just small students that has reading's spirit or real their interest. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Iliana: A Winter Solstice Tale can make you truly feel more interested to read.
