Think you know everything there is to know about the life that lies beyond this one?

Think again.

Questions about life beyond death are always with us. In this classic volume, Leslie Weatherhead answers personal and important questions about heaven, hell, and the future God has in store for us.

“Eternal life is . . . a quality and not just a quantity; . . . a quality of communion with God that clearly begins now.

You know, people talk about the afterlife and they say, ‘He’s gone to be with God.’ But he has always been with

God, and the highest heaven doesn’t mean that God exists in any fuller measure. It can only mean that our power

of communion deepens. But one of the marvelous things about the Christian gospel is that the offer of eternal life is

here and now.” –from chapter 1
