## **Memorizing Pharmacology: A Relaxed Approach** Tony Guerra

As a working parent of four-year-old triplet daughters, I understand time management presents one of the greatest barriers to my pharmacology students' success. Many students feel that cold sense of overwhelm and information overload.

This easy-to-listen guide organizes pharmacology into manageable, logical steps you can fit in short pockets of time. The proven system helps you memorize medications quickly and form immediate connections. With mnemonics from students and instructors, you'll see how both sides approach learning.

After you've finished the 200 Top Drugs in this book, reading pharmacology exam questions will seem like reading plain English. You'll have a new understanding of pharmacology to do better in class, clinical and your board exam. You'll feel the confidence you'd hoped for as a future health professional. For patients and caregivers, this book provides a means to memorize your own medications to better communicate with your health providers.
