## **Reptiles (True Bookanimals)** Ann O Squire

Slithering snakes, massive sea turtles, and fearsome alligators are just some of the 9,000 species that make up the animal class Reptilia. Readers will learn how lizards, crocodiles, and other reptiles search for food, care for their young, and survive in a variety of natural habitats. They will also get an up-close look at the dangers these animals face today and find out how humans can help keep reptile species from disappearing forever.
