Perhaps you have never considered checking out the supernatural realm because you have been raised in a Christian environment and have accepted Jesus Christ as your Savior. Yet, what would happen if one day your world began to fall apart and you found yourself in an all-embracing state of desperation? Suddenly, your faith is not as strong as your fear. A friend suggests an alternative to prayer... a psychic! Would you be tempted? "Soul Survivor" is a powerful manuscript written by a woman who was lured into the psychic arena in exactly this way. Once the "door was opened", she remained on the fence between God and psychics for twenty-five years. Throughout the pages of her book, she invokes God's word to bring her message home. She is compelled to share her knowledge on this controversial topic in an attempt to deflect the ever growing regard for spiritualists in today's society.
