The Chronicles: Highways, Intersections, and Exits is the continuation of the tantalizing saga of Twyla, Fab, and Mari. Every journey has a beginning, middle, and end. The Chronicles Trilogy began with the coming to grips with the deafening silence of an elevator. Elevator Silence introduced you to these three amazing ladies who are beautifully flawed and also intricately connected. Each woman has her own struggles that sometime become so overwhelming, she must disconnect herself from the world, to reconnect to her source of peace, unconditional love, and unwavering understanding: God.
