The Next Target: A Novel Nikki Arana

It only took one bullet. Austia's friend and student fell dead. And with a glimpse of a newspaper headline, the young and recently widowed Austia knows more about what happened than the police. From that fatal night, Austia's secret outreach to the U.S. Muslim community—in the guise of English language classes—becomes a target. Local Muslim extremists set their sights on ending her ministry and even her life. And the women she ministers to will be next.

A thick web of deceit closes in around Austia, and her circle of friends becomes smaller by the day, even as she finally opens herself to the idea of falling in love again. But who can she trust? Facing a spiritual battle that proves more treacherous than it at first seemed, Austia's convictions are tested to their limits and her heart becomes primed for breaking. She must ask herself: how much she will risk to stay true to her herself, her faith, and to the lives of the women she serves?

From reader reviews:

Janice Smith:

Do you have favorite book? If you have, what is your favorite's book? E-book is very important thing for us to know everything in the world. Each e-book has different aim or perhaps goal; it means that book has different type. Some people truly feel enjoy to spend their the perfect time to read a book. They are really reading whatever they have because their hobby is usually reading a book. Consider the person who don't like studying a book? Sometime, particular person feel need book when they found difficult problem or even exercise. Well, probably you'll have this The Next Target: A Novel.

Johnny Sutton:

Have you spare time for just a day? What do you do when you have considerably more or little spare time? Sure, you can choose the suitable activity intended for spend your time. Any person spent their particular spare time to take a stroll, shopping, or went to the particular Mall. How about open or maybe read a book titled The Next Target: A Novel? Maybe it is being best activity for you. You know beside you can spend your time with the favorite's book, you can more intelligent than before. Do you agree with it has the opinion or you have other opinion?

Rick Fairchild:

Playing with family in a park, coming to see the water world or hanging out with friends is thing that usually you will have done when you have spare time, after that why you don't try issue that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love The Next Target: A Novel, you could enjoy both. It is very good combination right, you still wish to miss it? What kind of hangout type is it? Oh can happen its mind hangout fellas. What? Still don't get it, oh come on its called reading friends.

Maria Forshee:

This The Next Target: A Novel is great book for you because the content that is certainly full of information for you who else always deal with world and get to make decision every minute. This kind of book reveal it details accurately using great manage word or we can declare no rambling sentences inside it. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but challenging core information with lovely delivering sentences. Having The Next Target: A Novel in your hand like keeping the world in your arm, data in it is not ridiculous just one. We can say that no reserve that offer you world inside ten or fifteen second right but this book already do that. So , it is good reading book. Heya Mr. and Mrs. occupied do you still doubt which?
