The Transformation of the Organization of American States: A Multilateral Framework for Regional Governance (Anthem Politics and IR) Betty Horwitz

This book explores the extent and significance of the transformation of the Organisation of American States since 1991: its roots, the reasons for and extent of its emergence, and the role that the organisation currently plays in the promotion of regional governance in the two key issue-areas of security and the defense and promotion of democratic norms and principles of good governance. By assessing where the OAS has succeeded and failed, Horwitz provides an in-depth explanation of how cooperation and consensus works in the Inter-American system.
