The Unfinished Life of Addison Stone: A Novel Adele Griffin

For fans of *Miss Peregrine's Home for Peculiar Children*, *Girl, Interrupted*, and A.S. King, National Book Award-finalist Adele Griffin tells the fully illustrated story of a brilliant young artist, her mysterious death, and the fandom that won't let her go.

From the moment she stepped foot in NYC, Addison Stone's subversive street art made her someone to watch, and her violent drowning left her fans and critics craving to know more. I conducted interviews with those who knew her best—including close friends, family, teachers, mentors, art dealers, boyfriends, and critics—and retraced the tumultuous path of Addison's life. I hope I can shed new light on what really happened the night of July 28.
