Wheels of Fortune

Wheels of Fortune James C Burke

Jim Burke was a happy ambitious engineer with his own thriving business, until a ski slope changed his life forever. At forty-one, he became bound to his wheel-chair for the rest of his life. This is his story, told with pathos, humor, tears, and finally, acceptance. His plight put him in touch with his spiritual life, after many years of searching for peace and a reason for why it had to happen. For years, Jim worked away at the story of his life, while wondering how it could possibly be of any value to anyone else...but if you will read his book, you will never take anything in your life for granted, ever again. You will see your life differently, and you will be grateful for your very own existence, as this man of great faith takes you into his confidence and into his heart...I highly recommend it for a good read!
