Se changer, changer le monde

Se changer, changer le monde

Date de publication: 19 septembre 2013 | Série: ESSAI Ce sont des hommes d'une grande sagesse, réunis pour la première fois : un moine bouddhiste, un psychiatre, un agriculteur philosophe et un professeur de médecine. Face au mal-être contemporain, face à la crise de sens et aux désastres écologiques, ils proposent des remèdes. Après avoir discuté, dialogué, échangé, chacun a écrit un chapitre, fruit de son expérience, donnant au lecteur des pistes pour agir et des conseils pratiques. C'est en se changeant que l'on changera le monde.
