The Khyber Connection (Time Wars) (Volume 6) Simon Hawke

Afghanistan: 1897 The Pathan tribes are in fullscale revolt against the British, but another, much more dangerous conflict is brewing in the Khyber Pass. The actions of the Time Wars have resulted in a confluence effect, bringing a parallel timeline into congruence with our own. One timeline must be disrupted to safeguard the existence of the other, and the first shot in the war between two timelines has already been fired. The Time Commandos' mission puts them squarely in the crossfire, along with a young British war correspondent named Winston Churchill and a native waterboy named Gunga Din.
