Ask a Pro: Deep Thoughts and Unreliable Advice from America's Foremost Cycling Sage Phil Gaimon

Despite the howling protests from his peers, no one's ever been more willing to spill the beans on what it's really like inside the pro cycling peloton than the sarcastic scribe Phil Gaimon. Building on the outrageous success of his hilarious 2014 debut *Pro Cycling on \$10 a Day: From Fat Kid to Euro Pro*, Gaimon gathers the absolute gems from his monthly Q&A feature column in *VeloNews* magazine, enlivened with a dose of fresh commentary and even more acerbic and sharp-eyed insights. With six years of material to work with—including his rise into the pro ranks, the loss of his contract for 2015, and his bold return to the Big League—Gaimon covers every possible topic from the team table to the toilet, with plenty of stops along the way. Gaimon wields his outsider's wit to cast a cock-eyed gaze at the peculiar manners, mores, and traditions that make the medieval sport of cycling so irresistible to watch.
