“So if you could choose to meet any character here, who would it be?” Ozzie asked.

“Any character?” Taryn asked curiously.

“Sure.”

“I honestly don’t know. Kind of changes the game now that we potentially could, doesn’t it? What’s that saying? Don’t meet your heroes.”

Having survived their adventures in Leleplar, Taryn and Ozzie have moved on with their lives...for the most part. Life back in their own world has not come without its own share of problems, however. Just as Ozzie is trying to figure out which path to take in life, he and Taryn are dropped back into an unbelievable other-world. This time, though, their friend Smitty has been dragged along for the ride. How will they react when they encounter characters from literature in our own world? How will those characters react to them?
