## Home Health and Rehabilitation: Concepts of Care

As a home health professional you work alone, without ready access to the resources of the hospital setting such as charts, colleagues, and support services. What you need is a trusted companion in the field - Home Health and Rehabilitation: Concepts of Care, 2nd Edition. Each chapter unifies theory with practical information, giving you a valuable resource that provides guidelines for practice and ideas for treatment. Case studies as well as personal experiences from individual contributors help give you the know-how to organize and design programs to reach your ultimate goal - total client care.
