#### Naked Will Hathaway

Since the beginning, the story of Eden has captivated mankind in our pursuit of understanding not only God but ourselves. But what if one of life's greatest secrets has been hiding for centuries in plain sight? What if the story of Christ was always meant to be viewed through the lens of Eden? And what if religion has accidentally overlooked one of the most important threads of truth contained in the Bible? A thread of truth that when exposed, will bring deeper clarity to our relationship with God, deeper intimacy to our relationships with others, and a deeper understanding of ourselves.

Watch as the life of a rookie beat cop is changed forever when he meets an elderly sage on a routine call. Using wisdom, perspective, and humor, *Naked* is a journey destined to transform the reader's understanding of God, life, and love.
