The Giddy Death of the Gays & the Strange Demise of Straights Redfern Jon Barrett

Caroline and her Dom live out their normal lives amongst the poverty, alcoholics, and street preachers of Swansea, Wales. But when Dom and his straight roommate fall in love--a passionate, secret, non-sexual love--their lives are transformed into a queer chaos of cross-dressing, gender bending and free love. Will Dom hold on to his relationship? Can religious fundamentalists be adopted as pets? And just what are The Lesbians up to? The battle between preachers and drag queens, skinheads and sex workers, boyfriend and girlfriend, is set to change the city forever.
