Not bound by tradition, she shows you how to unleash your watercolors for exciting and expressive results...and have lots of fun doing it! See how a few simple steps at the beginning can preserve the lights, lock in the darks, and allow you greater freedom to let your watercolor do what it does best: move and flow wet-into-wet, creating luminous layers of depth and vitality.

Inside you'll find:

- 9 step-by-step painting demonstrations, plus many more quick lessons illustrating basic techniques.
- How to paint water, rocks, trees and other landscape elements in a lively manner.
- Easy techniques for making your paintings pop, including tips for successful spattering.
- How to combine a representational painting style with abstract acrylic underpaintings for unique and lively results.

This book is all about painting boldly, embracing the medium's unpredictable nature, and achieving a loose, painterly quality. It's ideal for the beginner trying to get off on the right foot, as well as the intermediate artist looking for ways to "freshen up" their approach.
