In Los Angeles, everyone is a star." - Denzel Washington

Adventures beckon!

For more than a century, seekers of sun and celebrity from around the world have flocked to this sprawling metropolis on the Pacific, which Dorothy Parker once described as 72 suburbs in search of a city. But beyond the red-carpet reputation and Tinseltown trappings is a west coast wonderland teeming with unexpected cultural experiences, iconic architecture, gorgeous open spaces, quirky museums, hidden vistas, unconventional art, and obscure stories about the starlets, moguls, personalities, and players who have made Los Angeles their playground.

This unusual guidebook explores 111 of the city's most interesting and unknown places and experiences: wander a serpentine path in a spiritual quest of your own making; channel your inner cowboy at a tried and true honky tonk bar; pay homage to the Dude at the bungalow where the big Lebowski lived; turn your car tires into musical instruments on the country's only musical road; sleep with the ghosts of Marilyn Monroe and Charlie Chaplin; view a constellation of stars more vivid than anything Hollywood has to offer. From the San Gabriel Mountains to the Pacific Ocean, Angelenos and visitors will fall in love with the real Los Angeles.

Surprises await. Just imagine how much more scintillating your dinner-party storytelling will be.
