Eye Witness to the Ministry of Jesus begins where The Lost Years (the first book in the series) left off, with Jesus' baptism in the River Jordan. It parallels the four Gospels, but this story is told through the eyes of his cousin Veronica who recalls their travels together and the teaching and healings that take place along the way. Jesus draws both male and female disciples into his work. This is a patriarchal world, and Jesus' elevation of women creates friction among his followers and condemnation from the Jewish establishment. John (the Baptist) is beheaded and Jesus' ministry takes on a new sense of urgency. He teaches his inner circle ancient rituals he learned in India, Persia and Egypt, integrating them with Jewish traditions and the sacred cycle of celebrations. Some in the Sanhedrin join forces with their Roman occupiers to bring judgment upon Jesus. Until the end, many of his followers believe he will challenge their oppressors. But he knows they'd only pursue him, and chooses to use events to demonstrate the lie of death and eternality of life. The men scatter while a group of women who had been trained in the mystery schools gather at the cross, forming a matrix of support as he travels into the underworld and back, transformed in the light of resurrection. Jesus remains with his followers for forty days, intensively interacting with them and pushing them to step into their own power and authority. He ultimately ascends, while Roman persecution continues to increase. Veronica and James' marriage deteriorates; factions begin forming around John, Paul and Jesus' brother James. Many decide to take the teachings of their Master out into the world. His many followers gather together one last time near Jerusalem to share their plans and say goodbye. The fire of spirit rains down upon a group gathered to hear Paul speak, and later upon Jesus' closest followers, awakening the spark of inner divinity, preparing them for the great work that lies ahead.
